 **CAREERTRACK®**

Have you been vowing to finally “get organized”?

**This workshop will give you the
skills and motivation you need.**

You may be smart. You may be talented. You may have big dreams and lots of energy ...

But if you're not organized, every step is a struggle — and you're unlikely to accomplish much. You have to work twice as hard as other people, simply because you never learned the basic principles of organization.

That's what this special half-day program is all about.

Consider it a crash course in de-cluttering your life. You'll learn proven, practical ways to:

- ◆ Organize your desk, your workplace, your house and your home office
- ◆ De-clutter your mess-magnets: desktops, shelves, drawers, closets and cabinets
- ◆ Decide what you can do without ... and where to put the things you really need
- ◆ Use your calendar to budget your days better and create more quality time for the things that really matter
- ◆ Know which products help you stay organized — and which ones just get in your way

**Half-day format
makes it easy
for you to attend**

Morning session:
8:30 – noon
or
Afternoon session:
1:30 – 5:00

In this age of downsizing and a do-more-with-less mentality, being on top of things is more important than ever.

Invest just one morning — or one afternoon — in yourself. Your new sense of order and resulting productivity will pay you back hundreds of times in the years ahead.

**Register online at www.careertrack.com
or phone (800) 556-3009. See Page 6.**

Getting organized isn't as difficult as it seems. This half-day workshop will show you how to do it quickly — and permanently.

Think you're "just not an organized person"? Being organized is *not* a personality characteristic. It's a skill and state of mind anybody can learn, as the thousands who have attended this workshop will attest.

- ◆ You'll discover surprising new ways to use common things such as in-baskets and calendars.
- ◆ You'll learn psychological strategies and subtle behavior shifts that easily become routine.
- ◆ You'll gain scores of tips and techniques for bringing a new sense of order into your life.

This is your opportunity to turn over a new leaf — and learn the "right way" to tidy up nearly everything in your home and office, from your hard drive to your hall closet.

Does this training work? These people swear by it ...

*"Far exceeded my expectations!
Time went fast — enjoyed every moment on a subject I hate!"*
– Marti Covic, Hyatt Regency

*"I have so much clutter it overwhelms me and just knowing how to fix it (organize it)
has already lifted a tremendous weight from my shoulders."*
– Cindy Bloom, USBI-United Technologies

*"Three of the most profitable hours I've ever spent.
Thoroughly applicable to both work and home. Excellent!"*
– Mark S. Burrow, National Linen Service
